Dear People of God,

Today, on Trinity Sunday, we celebrate the fullness of God's nature and work. God is known through the revealing of Himself in action. "God is to be known only in his action, for God is the One, whose being (*nature*) is in his act." (*Theologian, Karl Barth*) The nature of the Holy Trinity is understood in terms of action, creation, community and shared love.

Many have difficulty in grasping this doctrine of the Church, yet it should not be so hard to understand this image of God as three in one. God the Father is like the planet SUN, for He is the SOURCE of all life. Yet the sun gives LIGHT, as God the SON, Jesus Christ, is the Light of the World. Then the sun also gives HEAT, as does the Holy Spirit, comforting us and imbuing within us the knowledge of His purpose and providing us with His gifts for the building up of the Body, the people of God. Notwithstanding these three different aspects; Father, Son and Holy Spirit, yet we have ONE GOD as we have one sun.

God the Creator is a triune God, an eternal community of love, which flows between Father, Son and Holy Spirit. This Divine community gives and receives love for all eternity. "The Eternal God is a personal God of love who has within his own triune nature, all that is necessary for him to be the eternal God who is sufficient within Himself." (*C.S. Lewis*) The motivation of God in the creative process is to share the Divine Life with those He has created. "God is brimful of existence that he can give existence away." (*C.S. Lewis*)

It is the Book of Genesis, which affirms that we are created in the image of God, which means that God created us to reflect His qualities of relatedness, sharing and mutual love, as individuals and as the community of God's people. God's creative love is "GIFT" love, not "NEED" love. It is **unconditional** and **unmerited**. God's grace did not start at Calvary, it reached out from God's decision to create the world and human life. What are life giving, life enriching and life sustaining can be seen in the very nature of the Divine Life of God, who creates, shares and vivifies life. God is made known to us by His mighty works as Creator, through His mercy as Redeemer and His love; His sanctifying Grace.

We extend a warm welcome to all those visiting with us today.

Did You Know?

Pentecost comes 10 days after the Ascension of Jesus Christ. It is a major feast day of the church and is the longest on the liturgical calendar.

Quote for Reflection

Small groups are vitally important in the life of the Christian community. It may be based in the home or the office or almost anywhere convenient. Nearly all the lively churches in the world depend to a considerable degree on the vitality of their small groups. We tend to be blind to its value before we join such a group. Afterwards it seems the most obvious thing in the world. For it is here that you can develop quality relationship. It is here that you can be loved and encouraged. Here is a group of people who, like you/us, are struggling with issues of discipleship, We need each other. Why don't you join us?
