The Vision Statement of St. Andrew Parish Church :

“A church reconciled to God, aware of its identity and healing the community, through the proclamation of the Good News of the Gospel of Jesus Christ.”

The Mission Statement

The mission of the St. Andrew Parish Church is to proclaim the good news of Jesus Christ and inspire the parish family to unity with God and one another -

- By ensuring that the church establishes programs to maintain, engage and expand membership.
- By identifying and mobilizing the human and financial resources available to the church.
- By responding to human needs as we work for the transformation of unjust structures and the preservation of the integrity of the created order.
- By presenting the Biblical tithe as the standard of Christian giving and the shaping of programmes of ministry that express the stewardship of God’s creation.
- By immersing our members in and expanding the knowledge of Christian identity in the context of our cultural experience and the obligations they impose.

Did You Know

Grace is God’s favour towards us, unearned and undeserved; by grace God forgives our sins, enlightens our minds, stirs our hearts, and strengthens our wills.

Quote for Reflection

Preaching confronts people with God’s demands, and bring them into the presence of God’s gracious promises. Preaching convicts people of their sins, convinces them that evil and death hold people in a bondage that is contrary to God’s will, and brings them to a conviction of the electing grace of God in their lives through Jesus Christ . The goal of preaching is nothing less than a total transformation of people’s hearts, mouths and actions, a transformation that forms people into a new community of salvation, the Church. Are you being transformed by the preaching of the word?
