The Rector's Message

Brothers and Sisters Grace and Peace to you,

We are presently experiencing a crisis of a magnitude we have never seen before. The presence of the Corona virus, the way it is transmitted and the debilitating effect cause us to feel fearful and anxious. The Ministry of Health has advised us to practice social distance, washing of hands and staying home as necessary at this time. Our faith in the God of Jesus Christ must be our anchor and our hope. The Psalmist states *"God is our refuge and strength, a well-trying help in trouble"* (Ps.46:1). The Psalmist assures us that the God of hope is the one who abides with us in every crisis of life.

In all the adversities of the past God's people have been able to endure not just through their own efforts, but also, they have been able to face the crisis with the assurance that God's presence is with them to uphold them and give them the spiritual resilience and emotional strength to endure. It is God's presence that provides stability, fortitude and hope which will enable us to weather this storm. The God who suffered in Jesus and raised Him from the dead is more than able to see us through this crisis. So let us not waiver or feel overwhelmed by any threat of danger, be it in nature or the environment, as God's power made known in the resurrection of Jesus, is the source of our faith, healing and hope.

Our experience of God's sustaining presence in times of crises and distress is affirmed by the psalmist who states that, God has a proven track record as it pertains to any threat to the health and well-being of God's people. Let us hold fast to the assurance of Jesus who says, *"I am with you always"* (Mt 28:20b). In this we have the guarantee, that we are held in divine hands, and the grace and the Spirit of God abides and indwells us always.

Thanks for your support and let us continue to lift up our country, our church and each other in our prayers.
