### Faith Formation and Christian Education

#### Did you know ?

“Records from the third century tell us that candidates wishing to enter the community were brought to the community teacher and presented for acceptance into the church. The sponsors had to testify personally to the goodness of the candidates and their sincere desire to become Christians. The community was particular about whom it accepted, since the good example of the member’s lives was their primary way of showing what Jesus was like or explaining the message he had proclaimed. Community witness was their most powerful tool for spreading the gospel.”

#### Quote for Reflection

“Baptism signifies that Christians are made - not born; that radical, lifelong submission through repentance and conversion is required of all who heed the Gospel call. In addition, Baptism not only start us on the way of faith, it also signifies to the whole world, that we are among the company of those who are signed, sealed, owned, claimed and commissioned by Christ to do his work in the world.”

### Intentional Discipleship Prayer of the Diocese

Heavenly Father, we thank you that you have awakened Your Church to hear again, the call of our Saviour Jesus Christ to come to Him and learn from Him. Grant that as we say “Yes” to discipleship, your Holy Spirit will enable us so completely to commit all areas of our lives to His service, that in our personal, family and church lives, our work, recreational and social lives, we would act as Jesus would have acted if He were in our place; in His name and for His sake we pray.

**Amen.**
