Did you know ?

"Giving of our time, talent, and treasure mainly involves a change of attitude about giving. It's important to think in terms of giving in gratitude to God, of considering how blessed you are, of using your gifts and talents for the good of others. Once you have this change of attitude, you will be able to more readily determine, through prayer and planning, the portion of your time, talent, and treasure that you will give. In the area of time and talent, many individuals commit a certain number of hours each week to prayer and charitable activities. That prayer can be by yourself, with your family, or with others. Those charitable activities can include working in your parish, with various community agencies, or with an individual in need."

Quote for reflection

"Did you not know that God entrusted you with that money (all above what buys necessities for your families) to feed the hungry, to clothe the naked, to help the stranger, the widow, the fatherless; and, indeed, as far as it will go, to relieve the wants of all mankind? How can you, how dare you, defraud the Lord, by applying it to any other purpose." *Rev. John Wesley*

Question for reflection.

- How best can I use my income to this week to assist someone in need?
- How intentional am I in how I spend or allocate my money?
