Almighty God, you are the only source of Health and Healing, and the center of peace in the universe. By the power of your Holy Spirit heal us in body, mind and spirit and grant that we may have complete faith and trust in you. In all pain, weariness and anxiety may we rest in your abiding presence and know ourselves to be renewed and encircled by your loving care, so that we may allow you to give us health, strength and peace through our Saviour and Redeemer, Jesus Christ our Lord. Amen. ©

Did you know ?

“There are some illnesses and deaths that are...the ‘natural’ outworking of cause and effect, under God’s providence. How many illnesses are the direct cause of suppressed hatred, anger, jealousy, bitterness, guilt? How much high blood pressure, how many ulcers, how much colitis would be avoided if sinful attitudes were done away with? How many pollution-caused deaths occur because people care more for the bottom line than for other people? How many “emotional problems” or “mental breakdowns” owe something to a background where the individual never enjoyed the security of love and discipline in equal doses, or never felt forgiveness for some gross sin?”

Quote for reflection

“Some grief takes a long time to heal...Frequently, in the midst of suffering, the most comforting “answers” are simple presence, help, silence, and tears...We must pray for those who suffer. God himself is the one “who comforts the downcast” (2 Cor 1:3). In the deepest suffering, many find it almost impossible to pray. Should not the rest of us intercede for them?” *D. A Carson, How Long, O Lord: Reflections on Suffering & Evil.*

Question for reflection.

- What healthy habits that reduce the risk of diseases and illnesses can I begin practising this week?
