Intentional Discipleship Prayer of the Diocese

Heavenly Father, we thank you that you have awakened Your Church to hear again, the call of our Saviour Jesus Christ to come to Him and learn from Him. Grant that as we say “Yes” to discipleship, your Holy Spirit will enable us so completely to commit all areas of our lives to His service, that in our personal, family and church lives, our work, recreational and social lives, we would act as Jesus would have acted if He were in our place; in His name and for His sake we pray. **Amen.**

Mrs. Merle Thomas
Administrative Assistant
Mrs. Hortense James
Verger - Miss Ann Morrison

The Rector is out of Office on Mondays

Faith Formation and Christian Education

Did you know?

By December 1825, The Jamaican House of Assembly passed “The Clergy Act,” investing the Bishop of our newly created Diocese with ecclesiastical jurisdiction over the Jamaican clergy. A resident Bishop removed the need for oversight by the distant Bishop of London, and gradually transferred to Bishop Lipscomb the authority of the Governor of Jamaica to appoint clergy.

However, the Jamaican House of Assembly continued to pay all Anglican clergy, except for the Bishop, the Archdeacon and six priests, who were funded from Britain. Lipscomb approached his ministry with missionary zeal and laid the foundation for the establishment of the Diocese of Jamaica and the Cayman Islands, as we know it today, with many notable achievements.

Quote for reflection

“In the past, we were socialized to depend on the ordained and, in particular, those in the hierarchy of our Church. However, COVID has opened up new dynamics which require the involvement of every member. Our research also shows a clear distinction between urban and rural ministry. Church can no longer be “a one-size, fit-all.” Instead, we are now redesigning programmes and outreach activities to meet the physical and spiritual needs of people where they are.” ~ *Archbishop Howard Gregory*

Question for reflection

- Reflect on your own role within the church community. How can you contribute to the redesigning of programs and outreach activities to make them more inclusive and responsive to people's needs?
