**Prayer for Mission and Evangelism**

Lord of the harvest, we thank You for the awesome privilege and responsibility  
You have given to us, to partner with You in Your Mission, the Mission of the  
Church. Equip and empower us by Your Holy Spirit, so that as we live and  
work, as we share Jesus with others in our own homes, our work places, in our  
churches, on the streets, by telephone, on the internet – whenever and wherever  
the opportunity arises so that lives might be touched and transformed, and souls  
healed and rescued for Your Kingdom.

Awaken Your Church to New and Abundant life that Jesus came to give us.  
Help us all to share our experience of this New life with others in your name we  
pray. **Amen.**

**Faith Formation and Christian Education**

**Did you know ?**

So how were Christians made? By a process of formation that, as time progressed, was increasingly self-conscious. It was rooted in the habitus of the communities – their reflexive behavior. It was embodied knowledge rooted in predispositions that guided the Christians’ common life and expressed themselves in practices. These predispositions shaped worship practices that became essential, formative parts of the communities’ habitus. These predispositions also expressed themselves in concentrated form in the initiation process culminating in baptism that formed the candidates for communal membership.

*The Patient Ferment Of The Early Church, Alan Kreider*

**Quote for Reflection**

When we decide to walk a spiritual path, we are embracing a certain way of life, a specific set of values, or a particular worldview. For Christians, we choose to follow Jesus, to conform our lives to his teachings. This intentional commitment begins with Baptism, a sacrament by which we are initiated into membership in the mystical Body of Christ, the Church. Spiritually speaking, Baptism is more than just a happy ceremony: it marks us as belonging to Christ, forever. The Christian spiritual journey begins with Baptism and continues for the rest of our lives.

*Befriending Silence, Carl McColman*
